October, 2015

From Our Family to Yours,

We'd like to take this opportunity to share with all Alpha residents how pleased we are to be the new town residential trash collector! As you probably know, LMR is a local business located on Springtown Rd. here in Alpha.

At this time, we'd like to review the services we will providing to you as part of our contract:

TRASH COLLECTION – every Wednesday:

Each residence may put out up to two 32 gallon cans. We ask that trash be out either the night before or by 6:00am on Wednesdays.

RECYCLABLES COLLECTION – 1st and 3rd Thursday of each month:

We also ask that recycling be put out for collection by 6:00am on the 1st and 3rd Thursday of each month. All recycled containers must be emptied of their contents (that is, no liquids should be left in containers). For recycling, we ask that all recyclables be placed in appropriate containers for collection – that is clear, see-thru plastic bags, open cardboard boxes, or other open containers. Please ensure all loose recycling such as newspapers, flattened cardboard, and food boxes are placed securely in recycling containers or bundled next to the can.

ADDITIONAL SERVICES AVAILABLE (with discounted prices to you):

BULK ITEMS:

We do offer bulk item pickup service (such as appliances, sofas, chairs, and etc.), but prior arrangements must be made with the office and payment must be provided for pickup of the item or items. As our customer, you will be entitled to a discount for our service.

DUMPSTER RENTAL:

We rent dumpsters of all sizes for both residential and commercial use. Sizes range from 10-yard to 40-yard containers. Call our office (908-859-0373) for pricing and visit our website at www.lmrdisposal.com for more information about this service.

CLEANOUT SERVICES:

Another service we offer is home, estate, and business cleanout services. We provide the labor and equipment to assist you in disposing of items at your location – all rooms, basements, attics, garages, yards and other out-buildings. Again, call our office at 908-454-4550 for an estimate.

Thanks in advance for your co-operation and support.

Sincerely,

LMR Disposal
